

Proposal for future format of case handling workshops

Shona Ritchie

International Officer

Information Commissioner's Office - UK

CHWS Prague: 13 March 2009

Background

- Case handling workshop framework of activities – adopted at 2005 spring conference in Poland
- Presentation by Finnish delegation at 2007 spring conference in Cyprus

Some of the issues covered in the document:

- Financial burden
- Delegates
- Suggestions for choosing topics and format

Conclusion

- The document will be made available on the spring conference website
- Comments and suggestions from all authorities are welcomed
- We hope the document will be helpful to future CHWS hosts
